Rooms (8types)

◇ MARUJU 102

Twin Room

49m²

Capacity for 2 persons

A stately storehouse is set up as it is in a maisonette-type room. The first floor is a unique space where you can look up at the vaulted ceiling and the magnificent beams that have continued to support the storehouse. The staircase, still in its original state, leads upstairs to a bedroom overlooking the living room and garden.

◇ KOIKE-MIYATANI 202

Japanese Western Twin Room

52m²

Capacity for 4 persons

Maisonette type with a spacious living room with an earthen floor on the first floor. On the second floor, a Japanese-style room and a bedroom with the original appearance on the walls and ceiling, and a bath with an open-air sunroom are located at the back of the room. By adopting a simple interior design that complements the building's ambience, we have created a well-balanced fusion of Taisho, Showa, and modern sensibilities.

Cuisine

The dishes that use plenty of seasonal ingredients, with a focus on local products, are packed with the charm of Chichibu.

We hope you will enjoy the depth of Chichibu through our meals.

Breakfast

A nutritious Chichibu Japanese set meal that gently awakens the body and soul. You can fully enjoy the tastes of Chichibu, such as local vegetables and eggs harvested in Chichibu, river fish such as sweetfish caught in local rivers, and locally produced miso and pickled plums

Dinner

Creative French cuisine that skillfully incorporates the blessings of the mountains and waters of Chichibu and Saitama, such as fresh local vegetables, wild game meat, and river fish. The classical atmosphere of the building will add a touch of class to your special dinner. A wide selection of local sake and wine is also available.

Model Tour

Day1

12:00- Welcome with Chichibu Meal

Dishes such as Waraji cutlet bowl, Walnut buckwheat noodles, Miso pork bowl are traditional.

14:00- Pray at Mitsumine Shrine

One of the strongest power spots in the Kanto region, overflowing with the power of nature. The 800-year-old sacred tree's "spirit" and "Tree of matchmaking" which is said to make good relationship, are must-sees.

18:00- Stay at NIPPONIA CHICHIBU SHRINE

Day2

07:00- See the Sea of Clouds

The sea of clouds can be seen from Muse Park, a hill running north to south on the west side of Chichibu City. Because it overlooks the eastern direction, it is possible to see the sea of clouds and the sunrise at the same time.

10:00- Rafting down the Nagatoro River

While watching the dynamic screen of nature, you can glide along the Arakawa River, which changes its expression with the rapids and pools. In addition to the enjoyment of the meandering slow and steady flow, the scenery, which can be said to be a work of art created by the nature of Nagatoro, is truly breathtaking beauty.
